

FAIRPHONE

Facts at a glance

Certified

Fairphone is a B Corp certified social enterprise. We're working to make a positive impact in the electronics industry.

We make smartphones to uncover how things are made and reconnect consumers to their products.

Based in Amsterdam, the Netherlands.

Over 50 employees with 20 different nationalities and 17 languages spoken.

The Fairphone 2 is the world's first ethical, modular smartphone. It's repairable and designed to last longer.

Over 125,000 Fairphones sold.

Our growing community of 125,000 Fairphone owners, 125,000+ Facebook fans, 28,000+ Twitter followers and 6,000+ Instagram followers are driving the movement for fairer electronics.
